Title Announcement of new package changing in "HLP" size 18 Liters ISO VG 32, 46, 100
To Whom It May Concern

Since PTT Oil and Retail Business Public Company Limited (OR) has been selling "HLP" for a long time under "PTT Lubricants" brand where "HLP" is high performance hydraulic fluids that formulated with high quality anti-wear additive and designed for general hydraulic systems in both automotive and industrial applications. Currently, for 18 liters packaging, the product is available in two shapes depending on viscosity grade where ISO VG 68 has been sold in square-shape package and ISO VG 32, 46 and 100 are sold in round-shape package.

Therefore, to prevent confusion and improve product management system. OR would like to announce the change of packaging in PTT Lubricants "HLP" as follows;

	ISO VG 32, 46, 100	ISO VG 68
Package Shape	Square-Shape	Square-Shape
Cap Color	Black	Red

***The details are described in the attachment.**
